World's Finest Olive Trees, since 1980

**At Domaine Oleas, we unveil the world's  
finest olive trees, each embodying timeless  
elegance and centuries-old legacies**

## **Vision**

**We cherish the beauty of nature and strive to give our prestige olive trees a second live, glorifying them to enlighten landscapes all over the world.**

Our mission is to nurture each masterpiece, revealing its unique soul, refining its beauty, and meticulously preparing them for a harmonious integration into their new habitat.

We seamlessly blend traditional craftsmanship with contemporary vision, offering exquisite olive trees for discerning connoisseurs and deputed landscapers who value their enduring allure and the enchanting presence they bring to any landscape.

## Naturally Refined

Our olive trees are exceptionally rare and bear the distinct legacy of decades of growth, each with a unique character shaped in a way that we deeply respect. All the olive trees in our collection are meticulously chosen through a rigorous selection process conducted by our distinguished committee of experts, Artreesans. It's not just the olive tree itself that matters, but also the environment in which it has flourished, complemented by rigorous laboratory analyses to ensure its health and enduring vitality.

## Exclusive Rarity

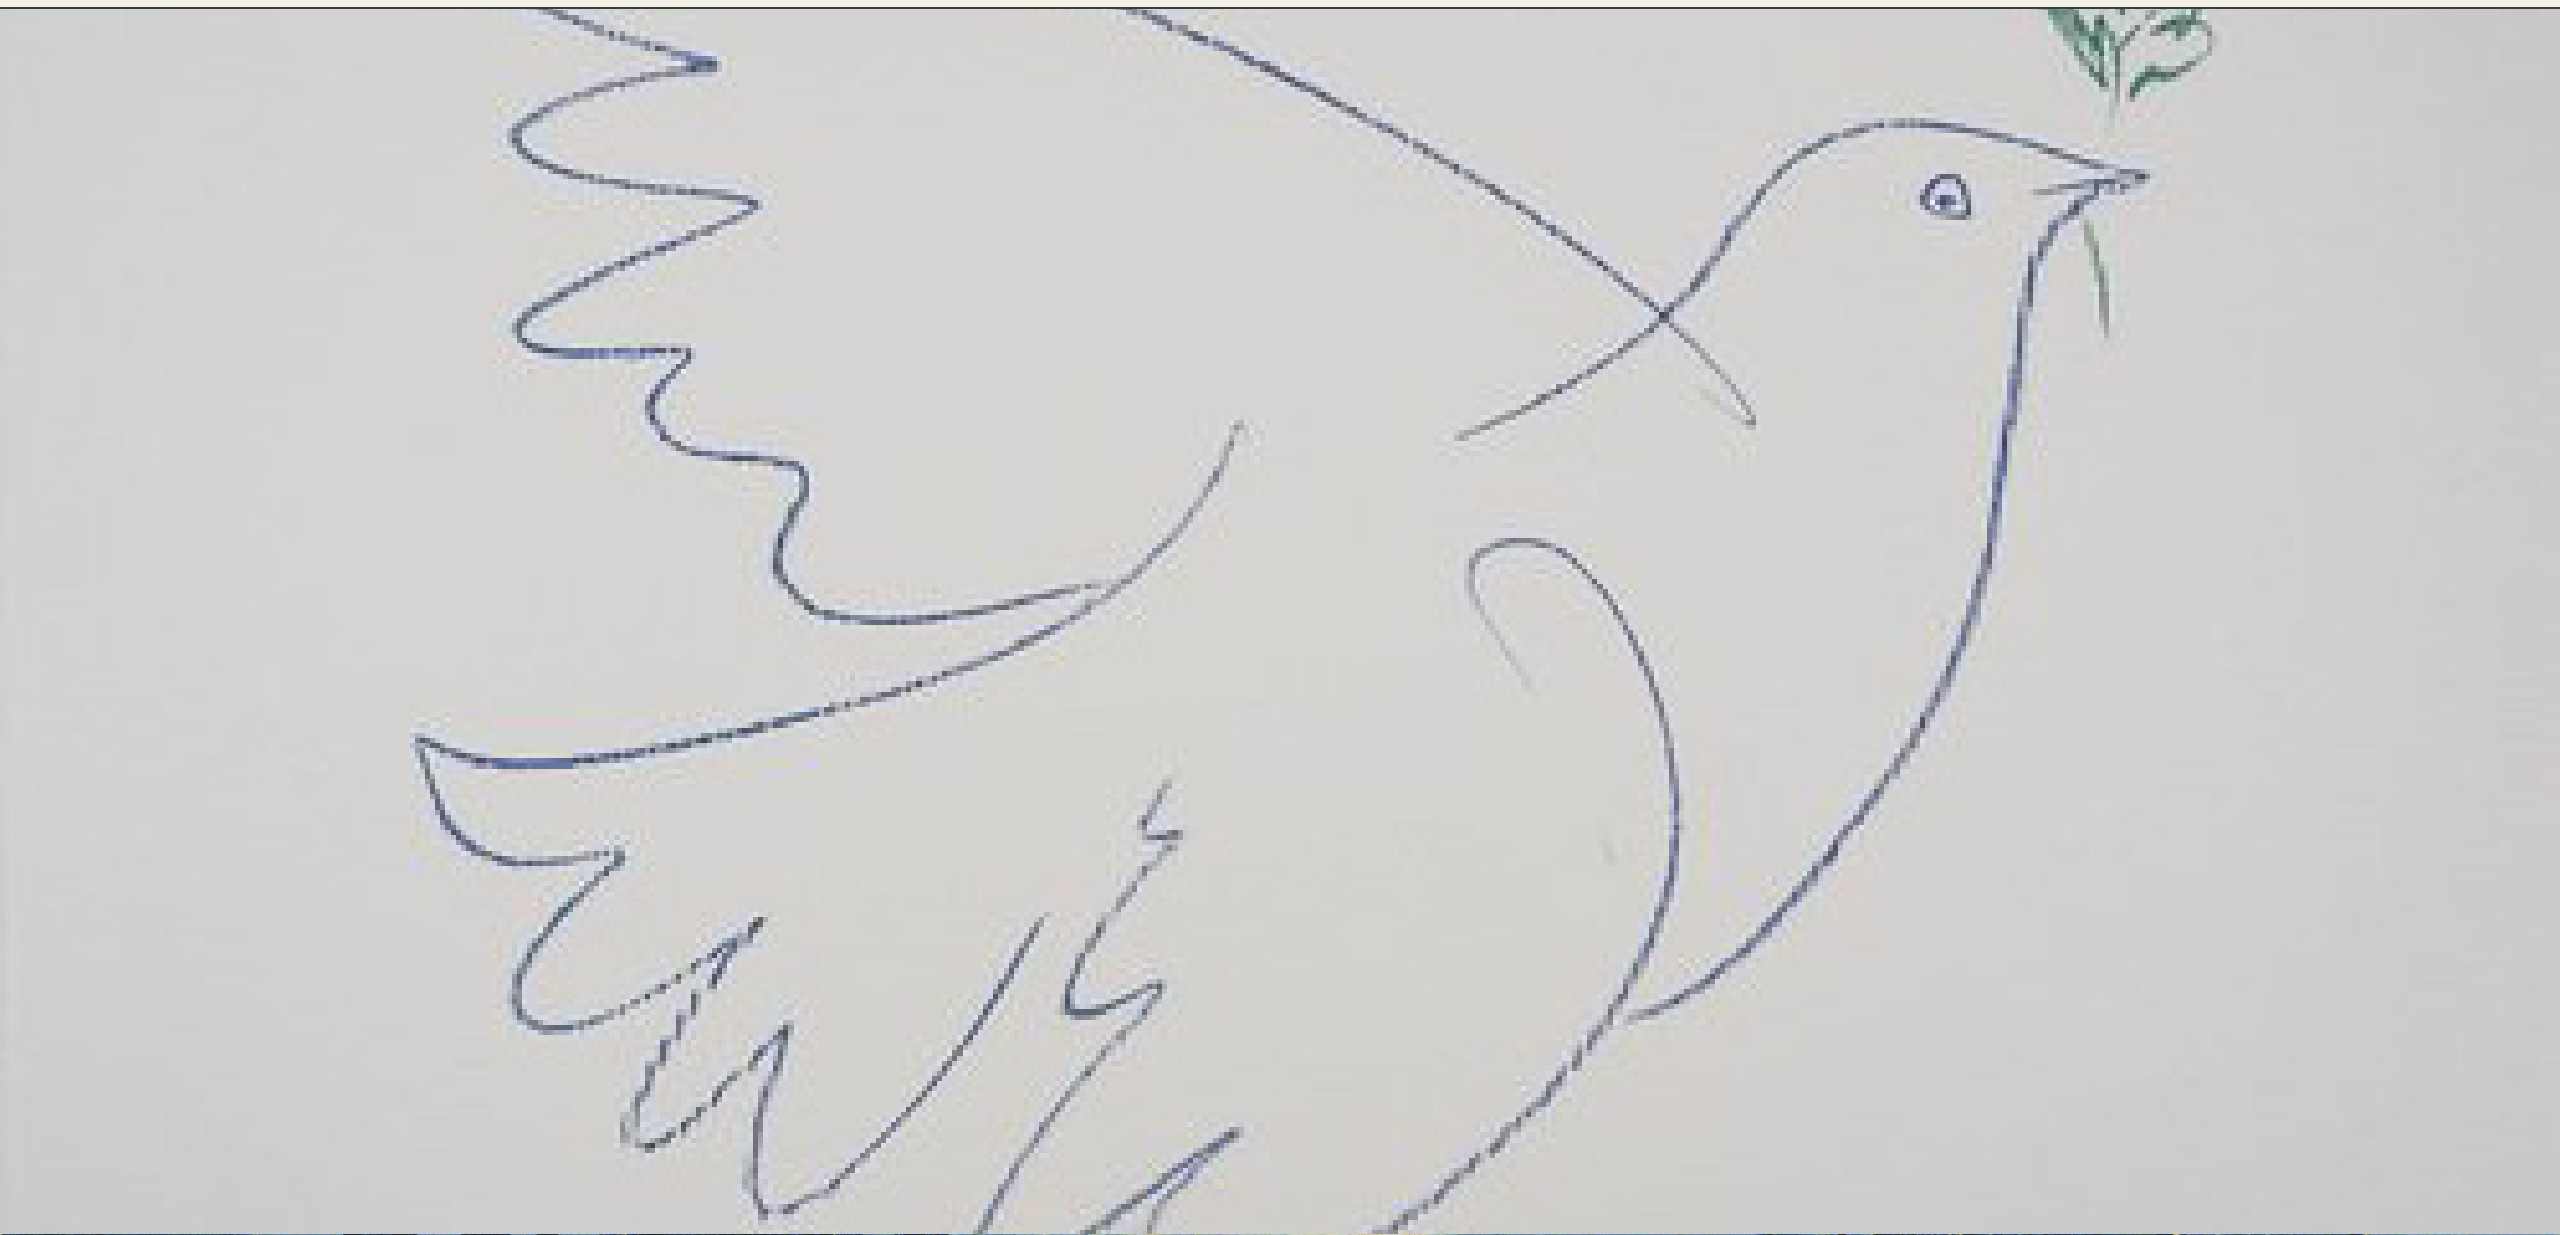

Domaine Oleas exclusively features scarce and exceptional specimens, meticulously selected from distinguished terroirs in Spain. Each tree is unique, defined by its age and rarity, and bears a sublime expression. This exclusivity ensures that every olive tree in our collection is one-of-a-kind, reflecting our commitment to sourcing the extraordinary and guaranteeing unparalleled beauty and character.

## Savoir-faire

Our committee of experts, Artreesans, ensures that each olive tree we offer is not only a piece of history but also a timeless work of Art.

With a rich heritage spanning over four decades, our dedicated team brings unparalleled savoir-faire in sourcing and growing ancient olive trees for prestigious projects. Since 1980, we have honed our craft, meticulously curating olive trees of historical significance and unrivaled beauty.

## Divine Legacy

Olive trees have been revered across cultures for millennia as sacred trees. They have also served as inspiration for great artists like Vincent van Gogh and Pablo Picasso. Nowadays they stand as timeless icons of luxury, opulence and resilience. At Domaine Oleas, we cultivate this ancient legacy, offering not just a tree, but a piece of history, an emblem of wealth, and a connection to the divine.

## Our Collection

Modern Artistry.

### **The Contemporary Collection**

This collection features olive trees that have been meticulously shaped and pruned to embody a sophisticated bonsai-like form. In this collection, each tree is a masterpiece of horticultural craftsmanship, sculpted to achieve a minimalist and refined appearance.

## Our Collection

Timeless Elegance.

### **The Classic Collection**

This collection features olive trees that showcase a harmonious blend of age-old tradition and the raw beauty of nature. Each tree in this collection has flourished with minimal human intervention, allowing it to develop its character organically over decades.

## Certificates

Domaine Oleas is the only luxury tree brand that issues **Certificates of Authenticity** for each olive tree, guaranteeing its uniqueness, authenticity and provenance.

When acquiring a Domaine Oleas tree, you will be granted with an exclusive DO Members Box that also includes a Care Program for your gardener. That's an ad hoc guide to care your Domaine Olea tree and help you with the plantation and adaptation to its new destiny.

Additionally, every member of the Domaine Oleas community can request an Expert Age Certification for their olive tree. Our commitment to quality allows our members to trace the lineage and age of each olive tree, guaranteeing a connection to centuries of Mediterranean tradition.

## DO Artreesans Protocol

All the members of our exclusive community will receive expert guidance with the Domaine Oleas Artreesans Protocol, a meticulously crafted guide developed by our esteemed committee of experts.

This bespoke protocol is designed to assist your landscape professional in harmoniously integrating your Domaine Oleas olive tree into its new habitat. The transition to a new environment is a pivotal moment for these living masterpieces. The DO Artreesans Protocol ensures this transition is executed with the utmost care, fostering a harmonious adaptation to its new home.
